## MESSAGE FROM ORGANIZERS

Dear Friends,

Once again welcome to Kochi...

We are glad to inform you that the International Conference in Minimally Invasive Surgeries – MISCON 2022(Live Workshop & CME) – is scheduled to be held at VPS Lakeshore Hospital, Kochi, on 27 & 28 May 2022.

MISCON 2022 will be organized as the South Zone conference of Society of Endoscopy and Laparoscopic Surgeons of India (SELSI). The Conference is jointly organized by Dept of Minimally Invasive Surgery, VPS Lakeshore and Verwandeln Institute Kochi (Center for MIS Training) in Association with Association of Surgeons of India (ASI Kerala Chapter), Indian Hernia Society (IHS), Society of Endoscopic & Laparoscopic Surgeons of India (SELSI) & Keyhole Clinic, Kochi

We value your wholehearted support for our previous events - IHSCON 2014, SELSICON 2015, MISIICON 2016, MISCON 2017, 2018 & 2020

MISCON 2022 will bring in around 300 delegates from all across the globe to Kochi, Sure, you will be improving your knowledge and skills in Laparoscopic & Endoscopy Surgeries with the guidance of World Leaders in the field. In addition, you will have the opportunity to explore the greatest tourist spots in God's Own Country.

Warm Personal Regards,

ORGANIZING CHAIRMAN

## MESSAGE FROM PATRON

*Greetings from **MISCON 2022, Kochi***

Yet again another feather in Dr Padmakumar's cap by organising MISCON 2022 at Kochi, in association with South Zone Conference of SELSI on 27 & 28th May 2022.

We all were missing MISCON during PANDEMIC since MISCON could not be organised in 2020 and 2021 in its original form. Now in 2022, Dr Padmakumar and Dr Madhukar Pai are leaving no stone unturned for making MISCON 2022 a huge success and memorable event.

This year's event is being organised by the Department of Minimally Invasive Surgery at VPS Lakeshore Hospital, Kochi as an International Conference in Minimally Invasive Surgery - MISCON 2022 (Live Operative Workshop and CME) at VPS Lakeshore Hospital on 27 & 28th May 2022.

As always the International Conference and Live Operative Workshop is being supported by Verwandeln Institute Kochi (Center for MIS training), Indian Hernia Society (IHS), Society of Endoscopic & Laparoscopic Surgeons of India (SELSI) National body, Association of Surgeons of India (ASI) Kerala Chapter & Keyhole Clinic, Kochi. We are expecting around 300 delegates from different parts of India and overseas.

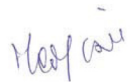

On 27 & 28th May, Live Operative Workshop with two way interactive communications from VPS Lakeshore Hospital Kochi and other Multiple Centers across India to VPS Lakeshore Hospital Kochi - the Venue of the meeting.

The Live Operative Workshop that will cover large varieties of procedures ranging from basic to most advanced will be performed via Minimal Access by distinguished National Faculties. MISCON is an Annual event, we all look forward to next year again in 2023. I am confident that MISCON 2022 will be a huge success as always under Dr R Padmakumar's and Dr Madhukar Pai's super-dynamic leadership and their equally charged everenergetic organising team.

I extend a warm welcome to one and all for active participation during the International Conference, and Live Operative Workshops on various techniques.

On behalf of the Organizing Committee, we extend our heartfelt invitation to you for participation and suggestions for improvement in subsequent years.

I welcome again one and all to the beautiful City of Cochin, Kerala.

A handwritten signature in purple ink, appearing to read 'M C Misra'.

### **DR. M C MISRA**

# VERWANDELN INSTITUTE TRAINING PROGRAMMES

## GAIN YOUR KNOWLEDGE

from Leading Heads in  
Laparoscopic Surgeries

### Why do you need training in Minimally Invasive Surgery?

Laparoscopic surgery is developing fast in every speciality. Hence gaining practical knowledge of such a procedure cannot be postponed. As many of you know, we have been training a lot of surgeons in laparoscopic surgery and over a period of time we have realized that laparoscopy cannot be learned by seeing surgeries, but can only be achieved by doing it yourself.

### Our Strength

Dr. R. Padmakumar, Our Lead Consultant in MIS & Director - Verwandeln Institute and the team members, Dr. Madhukar Pai, Dr. Farish Shams, Dr. Resen Rajan, Dr. Firoz P A & Dr. Shashank

Deshmukh do an excellent job of hands-on training. We have large number of MIS cases performed at affiliated centers, Lakeshore Hospital Kochi, Kinder hospital, Kochi and Futureace Hospital, Kochi. Your conveniences during the training period will be well handled and coordination of activities will be taken care by our manager Ms. Premna & Team.
